

Guidance for Special Fund Expense Claims

Guidance for fundholders

1. You will have received an email from the Charity with a unique link to your fund's claim form. If you haven't received this email please contact the Charity at specialfunds@gsttcharity.org.uk to request the link. It might be useful to add this claim form to your bookmark bar. You can share this link with members of your team who wish to make an expense claim. Fundholders who have responsibility for several funds, please ensure that you use the right form for the different funds, as otherwise the incorrect fund may be charged.
2. Claimants can fill in the form themselves, or fundholders can fill it on their behalf. Please see the 'for claimants' section for guidance on completing the form following this.
3. Once the form has been submitted the Charity will then send it to you, the fundholder, for approval and matching with your spending plan projects, if your fund has a spending plan.
4. You will receive an email notifying you that an expense claim requires your approval. There will also be a link to your spending plan projects, if your fund has a plan. At the bottom of the email will be any notes sent to you about the claim by the Charity, if we think that there is a problem with the claim or if we have any questions about it.

Dear Emily Mangles,
